

BAILEY

SPECIALTY CRANES & AERIALS

Machinery Carts & AGV's

Machinery Carts available for moving heavy equipment, manufacturing dies or precision robots.

[Check out our latest Mecanum Wheel Option Video](#)

The rubber tired machines can utilize omni-directional steering for operation in tight areas. These are typically designed for specific applications but come in the following standard sizes:

MODEL	CAPACITY	LENGTH	WIDTH	HEIGHT
MC5	5000LB	96	48	39
MC10	10,000LB	96	48	39
MC20	20,000LB	96	72	39
MC50	50,000LB	120	96	39
MC80	80,000LB	120	96	39
MC100	100,000LB	120	96	39
MC120	120,000LB	120	96	39
MC200	200,000LB	120	96	39

Options Include:

- AC Power
- Rail Wheels
- Omni Wheel
- Mecanum Wheel
- Scissorlift Deck

Automatic Guided Vehicle - AGV

We now can offer Automatic Guidance Control to our Machinery Carts. We have teamed with Amerdan AGV to offer the following guidance control topologies:

- Wire Guidance
- Magnetic Tape Guidance
- Laser Reference Guidance
